*\*Bars and restaurants: pricing may vary depending on the establishment's liquor license category.*

### Application of the Adjustment

The rate adjustment applies to the Business service(s) included in your subscription, whether a standalone service, a Duo package, or a Trio package (Internet, Television and Telephone). The adjustment applies solely to the monthly service rate. All other terms and conditions of your agreement remain unchanged.

### Contractual Basis

These rate adjustments are aligned with prevailing market practices for fibre-based services and remain moderate. They are expressly provided for under the Business Service Agreements currently in effect and are applied in accordance with the information and notice requirements of the *CRTC*, the *CCTS*, and the *Consumer Protection Act*.
